Founded June 17, 1961 - St. Albert's 100 Anniversary

April 18, 1964 Vol. 4-15

## NOW IS THE TIME .....

In the past, St. Albert's difficulties have been publicized all over the province and Canada, due to local groups opposing one another. This publicity has given our town a bad reputation. We are pleased to note that this situation has altered greatly during the past 12 months, and that more and more of our citizens and organizations have been co-operating with one another. This has already brought positive results in our community life.

It seems now that St. Albert is to enter another difficult period. At the last Council Meeting a letter was read from the solicitors for St. Albert Development Ltd. which stated that this company eventually could have a claim on our town ranging from \$50,000. to \$250,000. (See Council news in this issue.)

Besides this serious matter, another claim came to our Town Office from Engineered Homes, which could reach the huge sum of \$550,000. These frustrating claims are no longer a matter for our council only, but, as Councillor Stewart said, "for the town as a whole." We wholeheartedly agree with Dr. Stewart's statement because we are convinced that these problems can only be solved if the previous administration of our town, the present administration of our town can come together as a united body to uphold the Town against these (in our eyes) unfair claims.

Now is the time to show the rest of Alberta and Canada that St. Albert can be united!

## CONSULTING

The present troubles for the Town of St. Albert are, as we have already said, not just a matter for the present council. The claims go back to 1958 when the town was governed by a Board of Administrators and a Town Manager. The special position of this Town Manager, Mr. Gordon Parkes, who is still a resident of our town, assure us that he is the only man in our town who knows the background and real meaning of the contract between St. Albert Development Ltd. and the Town of St. Albert. We are of the opinion that Mr. Parkes should have been consulted the moment that the town heard the St. Albert Development claims. All past friction should be forgotten, because this serious attack on our whole town could have disastrous results for all of us.

We would like to mention that those two big claims are not the only claims that came to the Town of St. Albert since Mr. Parkes resigned as Town Manager. We need only mention the claim of UK Construction. In this case also, Mr. Parkes was the only one who could tell the present council what had really happened. We are pleased that Council suggested that Mr. Parkes and the members of the previous Board of Administrators be consulted so that everything possible will be done to defend ourselves against injustice.

It is well that our Town has more than one political group because this assures us of clean democracy. But if the Town as a whole is in distress, all political groups should be big enough to forget their differences and pull together as one. We should never give outsiders a chance to profit from our local differences as has happened too many times in the past. Let us make it clear to the present claimants, that we are united behind our present council and all those who have governed our town in the past. If we do this, we don't have to fear any battle!

**Annual Civic Holiday** The budget submitted by the Chamber of Commerce (\$3,900.) for this annual event will be guaranteed by Council if the money is needed. All Councillors voted in favour.

**Council Representative at Chamber of Commerce Meetings** A letter from the St. Albert & District Chamber of Commerce asking for a regular representative from Council to the Chamber meetings came under discussion. Councillors DeBrujn, Fowler and Wheatling volunteered to attend these meetings in the future.

**Fence Regulations** Mr. Roberts, the Town Building Inspector, introduced a by-law to Council, regarding regulations for type and height of fences in the residential areas. Councillor Stewart moved that this matter be referred to the Technical Advisory Committee. This was agreed on by all.

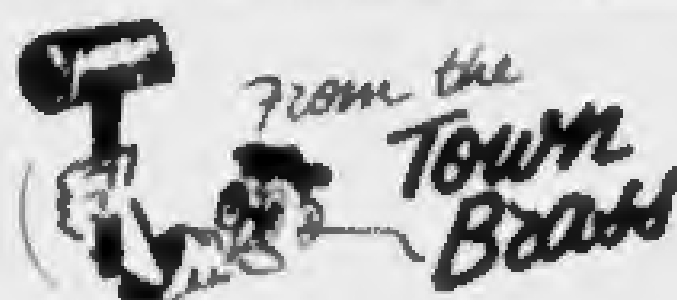

**Sale of Shrubs, Trees and Plants on Gresham Blvd.** Mrs. Esther Matthews, 6 Gresham Blvd., attended this Council meetings, requested permission to operate for a maximum of 6 weeks, the sale of shrubs, trees and plants, on her property on Gresham Blvd. Dr. Stewart moved that this application be refused in line with Council's policy of not allowing businesses in residential areas. Mrs. Matthews was advised to find a piece of land in a commercial area, and told that Mr. Roberts will advise her in this.

**Old Log House** An old log house at 12 Mission Avenue, owned by Harry Nesom, dated 1898, was donated to the Town of St. Albert as an historical object. Some Councillors suggested that this house be moved to a place where the town may some day have a museum. Mr. Gee and Mr. Roberts will look into this matter.

**St. Albert Development Ltd. Claim** A letter from the solicitors of St. Albert Development Ltd., read by Council, stated that the St. Albert Development Ltd. will have a claim on the Town of St. Albert amounting from \$50,000. up to \$250,000. St. Albert Development Ltd. bases their claim on the following:

1. That the Town of St. Albert has not submitted an accounting showing the sales and revenues on a monthly progressive statement to the St. Albert Development Ltd. for their land held in trust by the Town of St. Albert, according to their contract.
2. That sales have been made for higher prices than were mentioned in the contract.
3. Therefore, St. Albert Development figures that they have a claim on the

continued on page 2

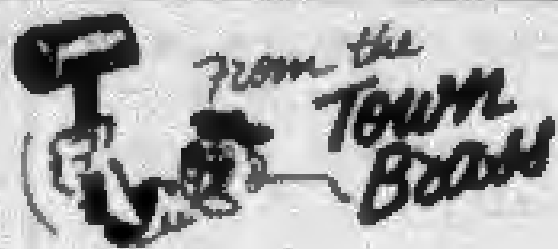

Council Meeting April 13, 1964.

**Tenders for Janitor Service for Town**

**Hall** Councillor Skrobot moved to accept

the lowest tender of Douglas Walberg for \$240. per month. This will include equipment and supplies and also keeping the sidewalks around the Town Hall clear.

**Wheat Inspector** Due to the fact that the present wheat inspector, Mr. Andre Gates, is overloaded with work, Council appointed Mr. Poulen as wheat inspector for the Town of St. Albert for 1964.

continued

Town of St. Albert for from \$50,000. to \$250,000. The letter also states that the unsubdivided land should now be returned to the St. Albert Development Ltd., and that the Town cannot use the land anymore.

Town solicitors, in co-operation with the town staff, will produce a report and accounting to show clearly the sales of lots, servicing, costs, etc., during the whole period claimed by St. Albert Development Ltd. This unpleasant matter for Council and for the whole town, is becoming even more difficult because the Town also has a contract with Engineered Homes, stating that the Town subdivide land for them. But the Town cannot do this because this land belongs to St. Albert Development Ltd., who now refuse further subdividing. This could mean that Engineered Homes could also have a claim on the Town for not following their contract.

Due to the fact that the contract with St. Albert Development Ltd. goes back to 1958, it was suggested that the former Town Manager, Mr. Gordon Parkes, be invited to give further information. "Not for the sake of this Council, but for the sake of our town as a whole", said Councillor Stewart. He also suggested that a letter be written to the former members of the Board of Administrators to have their views on this matter.

Councillor Skrobot moved that the meeting be adjourned and continued as a Committee as a Whole so that the Town Solicitors could give legal advice to Council Representatives of the local and Edmonton Press were not allowed to stay during this Committee Meeting because Council was of the feeling that legal advice to a client should be completely confidential. Councillor Fowler disagreed with this and thought that such a case should be known by everybody in our Town Council re-adjourned later and passed the following resolutions:

## NO LONGER NECESSARY

Why go out of town to buy, sell or trade your car? This is no longer necessary. Stay in your own town and see your local new and used car dealer. Compare prices in the newspaper with anywhere else. You will deal with pleasure and confidence at Spartan Car Sales, St. Anne Street, St. Albert, owned by Jack Monaney, a citizen of your town who is eager to do business with you. Phone 599-7681 or 599-7303.

Be it resolved that we instruct our Solicitors to instruct the Solicitors for St. Albert Development Ltd. that the Town of St. Albert is not contemplating entering into an Agreement with Engineered Buildings Ltd. Moved by Dr. Skrobot, carried.

That our Solicitors be instructed to advise the Solicitors for Engineered Buildings Ltd. that the Town does not propose any further negotiations with that Firm. Moved by Councillor Fowler, carried.

## JOIN YOUR CHAMBER

This week is Chamber of Commerce Week. They are holding a Membership Drive this week. Everyone is urged to join. Each member is urged to contact possible new members.

## "YOU CAN'T TAKE IT WITH YOU"

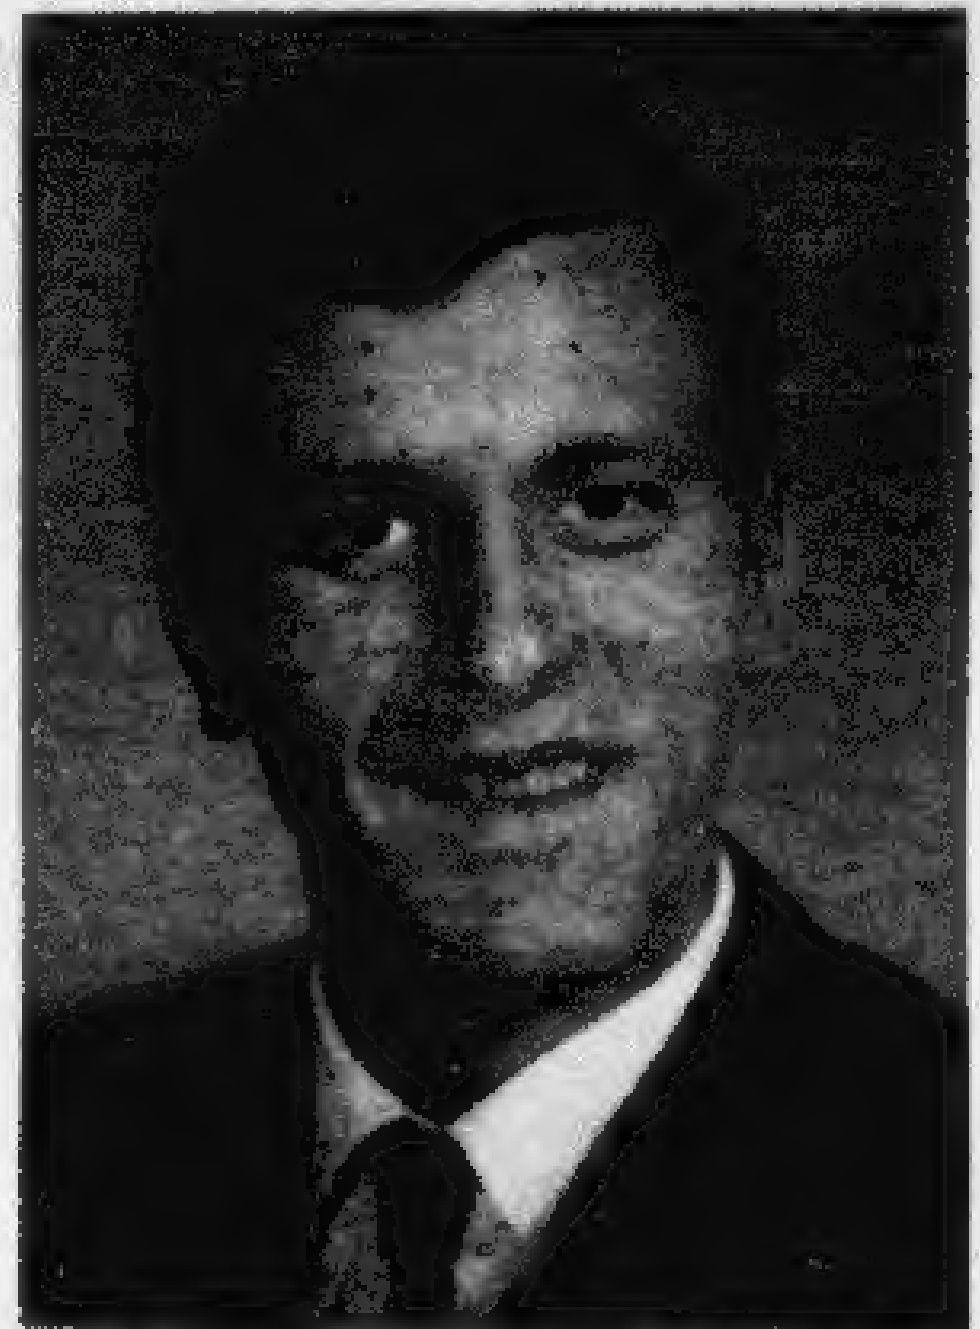

As opening night draws near the combined efforts of approximately forty people reaches its climax when St. Albert on Sturgeon Players proudly present the hilarious comedy "You Can't Take it With You". The behind scene drama which the audience never sees is now in progress as frantic last minute preparations are being made to set the stage.

The hustle and bustle of activity is at its highest peak, and in the centre of this whirlwind of excitement is the man who has moulded this chaos to form a play -- the Director. Bob Chaput is

## ST. ALBERT PUBLIC LIBRARY

The St. Albert Public Library is open the following days:

Tuesday	7 - 9 p.m.
Thursday	4 - 6 p.m.
Saturday	2 - 5 p.m.

Bob Chaput, Director of "You Can't Take It With You".

not new to this game and when the curtain rises Friday, April 17, his job will be completed. When Bob first arrived three years ago he appeared in many of Edmonton's night spots with a pantomime act. Since then "Taste of Honey", "Barrance", and "Tender Edge" are a few of the Theatre Associates productions he has appeared in. While at-

tending University of Saskatchewan he played Hamlet and directed many student productions. Children's Theatre in both Edmonton and Saskatoon have also experienced his fine directing and acting. St. Albert will remember him as the great hero "Jack Dalton" in our fall melodrama, as well as for his part in "Johnny Dunn". A teacher of Grades 7, 8, 9 at Vital Grandin School by day, and director, actor, drama in any form by night keeps Bob Chaput well occupied. The list of responsibilities for the Assistant Director is long and Carlee Adams has proved indispensable as Bob's right hand gal. Pantomimes in Ottawa night clubs at an early age of five began Carlee's career in show business. Ottawa's Children's Theatre and Little Theatre have also experienced her fine acting talent as has St. Albert with her sensitive portrayal of Emma in "Papa is All". Carlee has been an active member of the Sturgeon Players since arriving in St. Albert two years ago. She appeared in "Johnny Dunn" and was Properties Mistress for "The Late Christopher Bean".

Don't miss out! Buy your tickets now! Make sure when the curtain rises for "You Can't Take It With You" by Moss Hart and George Kaufman, YOU are in the audience. Paul Kane High School - 8:30 p.m., April 17 and 18 for a most enjoyable evening.

**JUNIOR**

**SOCCER**

Final registration for Junior Soccer players who would like to enter the Edmonton and District Soccer League will take place Saturday morning at 9 a.m. on the Vital Grandin soccer field, in Sturgeon Heights. Already 40 St. Albert boys, aged 9 to 14 have registered, but there is still a need for more boys, especially in the 12-14 age group.

Mr. C. Deluca will again be the official representative for the St. Albert Junior Soccer Club in the Edmonton and District Junior Soccer League. Two or 3 more coaches are needed to assist the present coach. Please do not hesitate, phone 599-7187 for further information.

# NORTHWESTERN UTILITIES

## 40th ANNUAL REPORT

Edmonton, April 13.

Increases in volume of gas sales and in revenues, but a slight decrease in net income, compared with 1962, were reported today by Northwestern Utilities, Limited in its annual report for 1963.

The increases, accomplished despite the fact that the average temperature in 1963 was 2.6 degrees warmer than the long time normal, resulted from the addition of new customers and the increased use of natural gas by industry in Central Alberta.

During the year 4,630 new customers were added to the company's system, to bring the total served at the year-end to 106,825 in 79 communities, including Edmonton and Red Deer.

Gas sales increased 6.2 percent to 63.6 billion cubic feet. While gas sales to residential and commercial customers, directly affected by the warmer than average weather, increased by only 2 percent sales to industrial customers were up 13 percent. The industrial sales increase

was due to larger than anticipated deliveries to two electric generating stations served by Northwestern, and to a full year's sales to a major industry connected late in 1962.

The gas company reports 1963 revenue at \$20,574,000., an increase of 3.5 percent over 1962. Due principally to higher costs of gas supplies, increased bond interest expense, and higher depreciation charges, net income declined \$64,000. to \$3,009,000. Earnings per share were \$1.52, compared with \$1.56 in 1962.

Total investment in gas wells, pipelines distribution systems was \$77,828,000. at the year's end.

Dealing with gas rates, the company reported that the average gas rate paid by all classes of consumer declined by nearly 3 percent to 32.3 cents per thousand cubic feet, "undoubtedly the lowest for any comparable gas utility company anywhere in North America." The lower average rate was due to a rate allowance of 2 cents a thousand cubic feet granted to

customers in the first four months of the year, to greater industrial use of gas, and to a lower rate for major industries introduced during the year. Recoverable gas reserves in fields connected to Northwestern's system were estimated at the year-end to be 3,029 billion cubic feet. Reserves of approximately 690 billion cubic feet were added in 1963 with the completion of the 118 mile, 12 inch pipeline to the Swan Hills area.

Northwestern's facilities were developed during the year to a maximum day delivery capability of 414 million cubic feet. Maximum daily demand occurred November 20 when 349 million cubic feet were delivered.

Capital expenditures in 1963 totalled \$5,782,000., of which approximately \$3,600,000. was expended on the Swan Hill project. Most of the balance was spent on facilities and equipment to connect new customers.

# TOWN OF ST. ALBERT

## PUBLIC NOTICE

PUBLIC NOTICE OF BY-LAW 13/64

Public notice is hereby given that there has been introduced in the Council of the Town of St. Albert the following by-law:

Whereas lots Twenty-Nine (29) and Thirty (30), Block Five (5), Plan G, in the Townsite of St. Albert, were acquired by the Town of St. Albert in the year 1959, for the purposes of constructing thereon a Fire Hall; and

Whereas the proposed Fire Hall was eventually constructed upon another site; and

Whereas the aforementioned lots are now longer required for the purposes for which they were originally acquired;

Now Therefore, pursuant to Section 298 of the Town and Village Act, R.S.A. 1955, as amended, the Council of the Town of St. Albert, hereby enacts as follows:-

That Lots 29 and 30, Block 5, Plan G, municipally known as 27 and 25 St. Michael St., St. Albert, be sold, leased or otherwise disposed of by the Town of St. Albert.

Read for a first time this 13th day of April, A.D. 1964.

and that a copy of the same may be seen in each of the following places:

Perrons Store

Bruin Hotel

Safeways

Veress Service Station

B.A. Station

Piron Street

Piron Street

Grandin Shoppers Park

St. Albert Trail

St. Albert Trail

and further that unless within thirty days from the publication of this notice five per cent or two hundred and fifty of the proprietary electors, whichever is the lesser, of the town petition the council to submit such by-law to the vote of the proprietary electors of the town the council will proceed to consider, and if it thinks fit, to pass the same.

Dated at St. Albert this 15th day of April, A.D., 1964.

James B. Gee,  
Secretary-Treasurer.

### The Party Line

All over St. Albert signs that spring is in progress are evident - lawns are being raked, trees pruned and windows washed. Isn't it a welcome sight to see this face lifting as winter leaves such a grubby aftermath. Piron Street is in step with the face lifting with the opening of the new Apex Building. This modern, new building certainly brightens the main street.

Changes are present in the shopping centre as well with new merchants arriving and the promise of more to come. This is progress - beneficial to us all!

P.S. Remember, April is Cancer Month - please give generously.

P.P.S. To the kind citizen who returned our lost mail to the Post Office - a sincere thank you, we were very relieved that it was recovered.

FROM OUR ROAMIN' ROME REPORTER:

All roads lead to Rome! — and on all those roads, a traffic jam. Downtown Edmonton at 5 p.m. Christmas Eve has nothing on this; any hour, any day, at almost any point, a traffic jam. Granted the cars are smaller but the streets are narrower and Roman tempers much shorter. One of the main reasons for the traffic mayhem are the rules of the road, existent though they may be but obeyed, never. U turns in mid street of main arteries occur every 10 seconds. Stop signs don't

even provoke a slow down, lane switching without signalling, and worse still without looking is as customary as spaghetti for dinner. Policemen directing traffic are also completely ignored and I've yet to see a ticket passed out for other than illegal parking and then only when 'triple' parked.

Needless to say, the pedestrian has less than a fighting chance. His predicament is clearly stated in these two current sayings, "Use the crosswalk — and die with dignity" or "Be sure to use the crosswalk so the state pays the funeral bill".

Yes, all roads lead to Rome but it may take hours for a 10 minute drive!

Merle Vacirca.

### CLUB NOTES

Chi Chapter Beta Sigma Phi The last meeting was held at the home of Mrs. Gwyn Simpson, 20 Greenview Cres. The members enjoyed two programs, one given by Mrs. A. Hemingway on "Sculpture and Painting" and the other by Mrs. Margaret Fraser, chapter director on "Music Influences on Lives".

Six new members joined our group at the party held March 27 at the home of Mrs. Diane Keene, 26 Grosvenor Blvd.

The new executive for 1964-65 will be installed at the first meeting in May. They are: President - Mrs. Ruth Jones; Vice-President, Mrs. Katie Moffat, Secretary, Mrs. Marguarite Sinclair; Treasurer, Mrs. Elaine Royer.

### LEADERSHIP TRAINING PROGRAMME

The St. Albert Brownie and Guide Local Association welcomes all mothers to a Leadership Training Programme, Friday April 24, afternoon and evening. Our delegates, just returned from Banff, are fully inspired to improve our methods, induce better relations and to promote interest in our activities. All are welcome to take advantage of this wonderful opportunity to learn what your children can and should be doing. We will have wonderful trainers out and I'm sure you will feel great benefit.

We are still in tremendous need of help. Only in wisdom can you help yourself to help your child.

For particulars, phone 599-7077, 7655 or 6320.

### BOUQUETS FOR BOOKS

The Father Lacombe Chapter of the I.O.D.E. is going to hold its annual "Bouquets for Books" sale. Canvassing for this project will start on Monday, April 20th and during that week we hope to call on

**GATIEN  
LEFEBVRE**

On Saturday, April 11, in the St. Albert Roman Catholic Church, Miss Therese Lefebvre, daughter of Mr. & Mrs. Rolland Lefebvre was married to Ronald Gatien. Officiating was Father Chevrier and in the sanctuary Rev. L. Morin.

Given in marriage by her father, the bride wore a gown of white chiffon over satin and net. Her veil of layers of net was elbow length and gathered from her crown of pearls. The bouquet she carried was a white orchid surrounded by red rose buds en cascade.

Maids of Honor, Miss Jeanne Houle and Miss Anne Marie Jurial wore identical gowns of peach colored chiffon. Their headresses were of peach net, and they carried cascade bouquets of white mums. Flower Girl, Adèle Ricard, was dressed in white chiffon with a peach flower headress. She carried a basket of peach colored flowers. Leon Lefebvre carried the rings on a satin cushion, and wore a satin sash.

The groom's attendants were John Basinet and Raymond Houle.

Sister St. Joseph played the organ for the ceremony and Mass, and accompanied the soloists Mrs. W. Tagnan and Mrs. L. Gasmache.

At the reception which followed immediately in the St. Albert Parish Hall, Mr. Raymond Houle was master of ceremonies. The mother of the bride received in an aqua linen ensemble, while Mrs. J. Palmer, mother of the groom, chose a cream colored frock.

Messages of congratulations were received from Hayward, Calif., and Powell River, B.C. Out of town guests were: Mrs. P. Hanak, Regina and Mrs. P. Dohm, Vancouver, B.C.

The happy couple are holidaying in Jasper and will reside in St. Albert.

Have your fliers inserted in the

## CHERCHER

LA FEMME *continued*

To two ladies in the teaching profession our tributes are presented - Mrs. Herron and Miss Wolniewicz. Specifically, however, it is their community work, namely their untiring service to our local library. Both are charter members of the Women's Institute and in 1947 when the W.I. started the library, they volunteered their help and have continued since that time to give weekly assistance.

As the library moved from place to place as space was made available, until the final move to its present location, these two ladies carried on under make-shift conditions, packing books, moving books and making shelves with help from Mr. Herron. Both have been officers in the W.I. and are active in their respective church congregations.

Miss Wolniewicz was born in Poland and came to Canada at the age of 3½. She received her education in St. Albert and Calgary and received her teacher's certificate at Calgary Normal School. She

Miss Marie Wolniewicz

Mrs. Herron

has taken courses at the U. of A. and has taught in Picardville, Legal and is currently on Staff at St. Albert High. Mrs. Herron was born in Edmonton. She attended Victoria High and Edmonton Normal School and is a U. of A. graduate. Her teaching experience includes Radway, Leduc, Edmonton, Yukon, Clover Bar and St. Albert. She is presently teaching at Rivierre Qui Barre. She has one son, Billy, a student at Paul Kane. Mrs. Herron and Miss Wolniewicz are most worthy recipients of our appreciation, and to them our Rose of the Week compliments of Marlene's Flowers.

## SUNDAY PROGRAM AT THE EDMONTON PUBLIC LIBRARY

### Sunday Concert

On Sunday afternoon, April 19, from 2 to 3 p.m., the Public Library presents another program of stereo music from its record collection. This week Gyorgy Garay with the Leipzig Radio Symphony

conducted by Herbert Kegel performs Bela Bartok's Violin Concerto.

### Film Program Sunday, April 19, 3 p.m.

**River with a Problem** A film on water pollution, using the Ottawa River as an example of what happens when a river is used as a dumping place for city and industrial waste. We see interviews with engineers, health authorities and civic officials, all representing particular areas of concern over this increasingly urgent problem.

**Smoke and Weather** This film shows how a lookout man is trained to detect and report forest fires from a tower, and how fire weather observations are made and used.

**Up in the Border Country** The central-circle tour, from the northern States across the border into Ontario and Manitoba, offers sun-filled vacations in a scenic paradise of scented forests, sparkling lakes and rivers. This film provides an enticing sampling of what such a tour holds in store as it accompanies a family from Rockford, Illinois.

### Films Français Mardi, le 21 Avril 7:30

**Notre Univers** Grâce à la photographie, à l'animation, aux effets spéciaux, le spectateur est entraîné dans un voyage au pays des étoiles. Il rend visite à la Lune, à Mars, à Venus, à Mercure, il atteint Pluton, à quatre milliards de milles du soleil, il va au-delà des myriades de soleils les plus proches, jusqu'aux nuages d'étoiles et aux nébuleuses. (Dix-sept prix, notamment: Festival international du Film, Cannes, France; Festival international du Film, Edinbourg, Ecosse; Festival du film documentaire, Salerno, Italie.)

**Le Nahanni** Malheur au voyageur solitaire qui ose s'aventurer sur cette rivière sauvage aux eaux tumultueuses et aux rives mortelles. Le fameux Styx de la mythologie n'était pas plus redoutable! Le légende veut que tous les hommes qui ont tenté d'arracher à la Nahanni son secret y aient laissé leur vie. Comme les fameux frères McLeod en 1908.

Mais on a retrouvé près des ossements des deux frères leur "testament": un villet affirmant qu'ils avaient repéré une mine d'or. Mystification ou réalité? Malgré sept échecs, Albert Faillie, 73 ans, persiste à croire à la présence de riches filons. Une fois de plus, il tente de résoudre l'énigme. (Prix: Festival du film, Acapulco, Mexique; Festival international du film, Berlin, Allemagne.)

**Sports et Transports** Dans un tourbillon de couleurs et de fantaisie verbale, voici l'histoire des moyens de transport utilisés au Canada, depuis le canot d'écorce des Indiens jusqu'à la soucoupe volante des rêveurs de notre siècle.

## HINTS FOR HOME OWNERS

Some of you new home owners who have had condensation problems during the winter months, have been advised to turn off your furnace humidifier. But the time has now come when you should turn these on to prevent your hardwood floors from shrinkage and cracking because of lack of humidity. These floors are very expensive to repair - it is cheaper to check your humidifier NOW.

## CHALLENGE GAME

**CHALLENGE "TEAM OF FOUR" BRIDGE GAME**  
The St. Albert will have as their guests the Edmonton Team of Four Bridge Club at a "Team of Four" challenge bridge game on Sunday, April 19 at the St. Albert Community Hall. Sixty-four bridge players will battle for a giant trophy and for the honor of their club. Thirty two hands will be played over 16 tables. This is the first time that the St. Albert Bridge Club will have a contest as a unit with another bridge club. It will also be the first time that two bridge clubs in the Edmonton area have had a "Team of Four" Challenge game. A very interesting game can be expected. Game time 2:15 p.m., sharp.

Hours of Masses as usual.

### Baptisms

Yvonne Marie, daughter of Mr. & Mrs. Victor Forand. Godparents are Mr. Georges Bernier and Miss Patsy Forand. Congratulations to Mr. & Mrs. Cyrille Cloutier on their Golden Jubilee Wedding Anniversary. Also Mr. & Mrs. Uzer Comeau on their Silver Jubilee Wedding Anniversary.

### PRESBYTERIAN CHURCH

The Worship next Sunday will be conducted by Rev. J. E. Bigelow.

Mr. Bigelow acknowledges and thanks those members who have arranged for their transfer of membership for next Sunday. Since he will be out of the city this week, any enquiries in this regard may be directed to Rev. H.G. Marsh, HO.9-1592

The formal organization of the St. Albert Congregation will be next Sunday, April 19th. The Reception of Members will take place at the Founding Service. Following the Reception, the Sacrament of the Lord's supper will be observed.

# It's Spring Check-Up Time

## Check Your Heating System NOW

### 1. CHECK YOUR FILTERS:

Furnace filters should be checked or replaced at this time of year. This can be a "do-it-yourself" job for the average home owner. If you prefer, call your heating contractor, plumber or furnace serviceman.

### 2. CHECK YOUR CHIMNEY:

Loose mortar, soot, and other debris may have accumulated in the chimney, thus blocking free passage of the products of combustion. (Check this if you have recently converted to gas.)

### 3. CHECK ALL VENTING PIPES:

Carry out this check at least twice a year. The pipes may have slipped out of the chimney or they may extend too far into the chimney, thus blocking the end of the vent pipe. They may also have pulled away from the furnace or other appliance. Badly corroded pipes should be replaced.

### 4. DON'T MISUSE GAS APPLIANCES:

Do not use a gas range to heat a room. Use a proper heater designed for this purpose.

### 5. BE ALERT TO THE DANGER SIGNALS:

Smarting of the eyes, nose irritation and unpleasant odors are indications of fumes in your home. All appliances must be vented to the outside atmosphere, except refrigerators, dryers, and ranges approved for use without venting.

### 6. DON'T TAMPER WITH GAS APPLIANCES

Don't take chances. Don't alter or install gas appliances or piping yourself call a qualified plumber or heating contractor, or your Gas Company serviceman.

#### LEAVE YOUR FURNACE PILOT LIGHT ON

- Reduces chance of rust
- Helps keep basement moisture-free
- Keeps furnace ready for unseasonal cold snaps

Your home heating system has been working hard all winter. Spring is the time to make certain everything is 'ship-shape' for the months ahead.
